OUR PLATFORM. nally seenre the civil and political rights of ALL persons .- Gen. Grant's Message, April

7th. 1809.

With means restoration of civil government; no prescription; universal amnesty m n; no prescription; universal amnesty and Equal Rights before the law to all dead of Just ce to none; no exclusive emolments or privileges to any class; taxation

And to the end that all persons, white an I plack, rich and poor, may enjoy the full benefits of free government, and the fruits of their toil, we will add: Low Taxes and an economical government.

CARPET-BAGGERS PLAT-FORM.

Constitution, permanently establishing test oath excluding from suffrage and holding office a large class of capable and meritorious citizens irrespective of party, who are nevertheless saddled with the burthens of overnment. Consequently it means: Disfranchisement; Class Legislation;

Taxation WITHOUT Representation.

The Meeting at Raymond. The meeting of National Republicans and Conservatives at Raymond on Satunlay last was a decided success. Hon, A. R. Johnston gartified his old friends with a powerful address on the political situation. Able speeches were delivered on the part of the National Republicans, by Gen. Dugan, Col. McCloy, and Mr. L. W. Mannaway. Delegates were appointed to the State Convention, which assembles to-morrow.

The Test-Oath.

The Washington Chronicle states that the Secretary of War has tonsmitted to Gen. Canby, for his guidance, the decision of the Attorney General, that the members of the Virginia Legislature and other newly elected officials will not be required to take any other oath than the one prescribed in the Constitution just

Editor Clarion: A few days ago I had oceasion to go out west from Shuqulak on the receipt of your letter of date Mobile & Ohio Rallroad, and to cross over the mountains (4sic juvat transcenden mintes.") The first point of interest that District, dated the loth inattracted my attention was Summerville In- pying papers, copies of while stitute, situated eleven miles from the Rallroad. It is located in that remautic region of lofty hills and pure water, known as the upon the question whether tinctly committed itself to the principle by a Sagacious Northern Journal. the disfranchising policy of the Radicals of more substitutions may be substituted itself to the principle by a Sagacious Northern Journal. long a time, maintained itself. About fifof teen hundred young men during the last had come to the aid of their white friends payable in sixty days, will be entitled to them that were to participate in the game sixteen years, have attended upon the instructions of this school. Among that number are found the names of some of the most promising young men of our time.

About seven miles west of Summerville I came upon the Hashuqus Cotton Mills, situated in the most obscure point in Noxubee county. The main building is 200 feet long. the State of their right of suffrage. I service in keeping the subject of the State drums beating very low and regularly to 50 feet wide, and two stories high. About which the Indians kept time with a low 1,500 spindles are in operation. Only twenty the state of their right of suffrage. dies and gentlemen in attendance from eve- humming song. After getting around the ty looms are running, but a machinist is busily engaged starting more, and in two months sixty looms will be in operation. trust I may speak for all those, who in desirable that the products of the soil, the colors and ages following, they marched to The Company was organized about two inventions of our mechanics, the fabrics of the winston county, as President, and Mr. Geo. Askew, as Secretary. About seventy thousand dollars have been subscribed and payed The Company do not owe one dollar, and their houses for operatives, boarding use, store house, etc., are completed. machinery is of the most improved English manufacture, and driven by a water-wheel runs out through the wheel, and has the apgards in the great march of Progress. Let Who soon made their appearance clothed No spray, no foam, and comparatively no It will do nothing that the republican party can call revolutionry; nor will it do aught them see that they belong to a State "where that will injure vital interests of the State is bounteous and all things have ture had given them. From the waist nothing, have on hand an assorted stock of They have also a large amount of a shirting

but is bearing well. The worm has appeared, but not generally, and you may set down the yield equal to last year, acre for acre There is more breadth of land in cotton this year, and we may say that there will be 10 per cent more of the staple made. This will article that may be exhibited. The amount to the center with a yell, and then another make the present crop 2695,000 bales. There cials is imminent in consequence. These the sooner they can come to an undertract this, and there is left for the present pected, and everything came. No other party has any standing in the presence of the one to the public spirited and the presence of the one to the public spirited to offer special premiums.—

It was soon caught by one of them in confident on the score of price.

Wishing you success and prosperity, I

From the Natchez Democrat. Mr. EDITOR :- In your issue of the 2d its, they rushed over the crowd like "wind The Natchez and Jackson Bailroad-wits Prospects. Greene has completed the survey of the two surveys that have been made, viz : the trace of the old railroad. This work will be done in the Committee's office at Natchez, and will occupy the time or Maj. Greene and one assistant, for about six weeks. The tunds of the Committee being

Jackson road as exceedingly favorable.

(From the Southern Journal.)

THE NEW SHERIFF OF FRANKLIN COUNTY. Mr. Garrett. He was formerly sergeant of Police in New Orleans, and during the emproglio between Gov. Warmoth and Audi-Odd Fellows Hall which was destroyed by fire during last winter. The residences for geant Garrett. On Wickliffe's release it everybody is looking forward to the time ed on him, and he was arrested, tried, and as the Republican says, say, was acquitted by a very intelligent jury. Of course Sergeant Garrett was acquitted, as every body knows how immacu-
